SUBJECT AREA: **Student Affairs**

POLICY/PROCEDURE: **Tuition Freeze Guarantee**

DATE: **March 28, 1995**

NUMBER: **5.83**

REVISION(S): **08/24/96, 09/30/03**

Purpose

The **Tuition Freeze Guarantee** is designed to provide an incentive for matriculated students to graduate from their declared Technical Certificate or Associate Degree. Eligibility for participation in this program begins with students matriculated in the summer of 1995 and thereafter.

Policy

Ouachita Technical College hereby guarantees that tuition rates, exclusive of associated fees as outlined in **COPP 5.80**, will be frozen for students who graduate within two (2) years of initial enrollment from their declared Technical Certificate program and within four (4) years of initial enrollment in an Associate Degree program.

Any tuition increase levied by the college during those years will be refunded to the student upon graduation. To qualify for the tuition freeze program, a student must complete all course work at Ouachita Technical College, graduate within the timeframe indicated, and apply for a tuition rebate after graduation.

Tuition paid through a financial aid program is not eligible for reimbursement to the student.
